# The Project

# Our goal:

Our ultimate goal through this idea was to encourage people to make more climate-friendly decisions by making it a bit competitive. It costs the people nothing and it only benefits the environment. It can all be accessed through your phone as well!

# 02

## The Feed

# About The Feed:

This is where anyone who uses the app can see what others in their local community are doing to help the environment, one ClimateCoin at a time!

03

# Leaderboard

-----

# The Leaderboard:

Here is where everyone can check to see who's gotten the most ClimateCoins. Do more to help the environment and you can expect to see your name at the top!

# 04

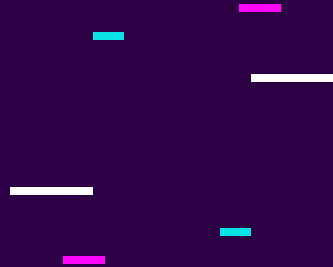

## Profile

# Your Profile:

Where it all starts. This is where you can introduce yourself to everyone else on the platform. It's also a place to see your recent activity and your progress!

# 05 Spending

# About Spending:

This is where you can spend your well-deserved ClimateCoins. All of it goes directly to a reputable charity/organization of your choosing, with funds being provided by advertisers.

# 06

# Contributions

# About Contributions:

The place where you pick what you did and how you did it. With 4 separate actions to choose from, you can place your mark on the local feed!

“We have a single mission: to protect and hand on the planet to the next generation.”

—**Francois Hollande,**  
**President of France**
